# Introduction

All children and young people have the right to go about their daily lives without the fear of being threatened, assaulted or harassed. No one should underestimate the impact that bullying can have on a person's life. It can cause high levels of distress, affecting young people's well-being, behaviour, academic and social development right through into adulthood.

At Meadow Park School, we are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere free from oppression and abuse. Bullying is an anti social behaviour and affects everyone. All types of bullying are unacceptable at our school and will not be tolerated. All pupils should feel able to tell and when bullying behaviour is brought to our attention, prompt and effective action will be taken. We are a TELLING school.

This means that anyone who is aware of any type of bullying that is taking place is expected to tell a member of staff immediately.

## What Is Bullying?

"Bullying behaviour abuses an imbalance of power to repeatedly and intentionally cause emotional or physical harm to another person or group of people. Isolated instances of hurtful behaviour, teasing or arguments between individuals would not be seen as bullying" (Torfaen definition 2008)

### Bullying generally takes one of four forms:

- Indirect being unfriendly, spreading rumours, excluding, tormenting (e.g. hiding bags or books)
- Physical pushing, kicking, hitting, punching, slapping or any form of violence

- Cyber - All areas of internet misuse, such as nasty and/or threatening emails, misuse of blogs, gaming websites, internet chat rooms and instant messaging
