Mrs D. Cowell has written high quality Pupil Profiles which are really important for us to support our students .....well done!

Miss J. Sankey and Mr P. Jones have written excellent curriculum Maps for the year....This is very exciting!

Mrs A. Chean and Miss L. Kennerley have written high quality Medium Term Plans for their classes for Autumn..... Their students are in for a treat!

Mr N. Roberts has kindly brought in his 3D printer to show case to the students who have worked hard and been respectful .....Thank you for sharing!

Mrs L Regan-Hammond has worked very hard designing our STAR leaflets and praise postcards!

Our Governors are very pleased to hear how well attendance is improving and look forward to visiting this term.

Our staff have organised a wellbeing staff weekly circuit training session, which has been well attended.....remember it is national fitness day on the 25th!

Uniform is looking very good. Remember we are representatives of our school wherever we are.

Mrs Riley had cake with lots of students who achieved 100% last week. Students gave her lots of ideas of what we could do to support our students, help our community and raise money for local businesses.

*Thought of the week: 'We are here to learn and we can all teach each other too'.*

# STAR

Student Turn Around (STAR) is a **10 week programme** providing a modified curriculum in an environment based on the six principles of nurture. The children are supported to raise their emotional well-being, self-esteem and to form positive relationships.

We offer a **KS2** and a **KS3** programme.

#### What parents have said:

*"He now looks forward to going to school. He has made good friends in STAR and will talk about his day"*

*"Totally changed for the better"*

*"He has come a long way since being on this 10 weeks, he is positive towards school"*

*"I would like to thank everyone who has worked with him and made him feel safe and secure. Thank you for taking the time to get to know him, good and bad"*
