## GOOD NEWS STORIES

On Tuesday class Aspire had a relaxation session and were introduced to sound therapy with Miss Courtman, The class really enjoyed learning about energy frequencies and that sonic frequencies can be used to retune these energies when they go off key, they particularly enjoyed the Tibetan singing bowl, and tuning forks and learning how they reduces stress and can place the listener in a meditative state. After the session everybody came away feeling calm and had a really positive day, producing some lovely work in all lessons. Miss Carter.

Joe Whitney has worked well this week in English. He produced a really creative Ppt on mental Health using excellent visuals. He read the information to gain a good understanding. Mrs Millsip

Alfie produced some fantastic maths work yesterday and even complete a challenge. Ms Chean

**Meadow Park vs Penkford School Match Report – 25/09/19**

Meadow Park played their first game of the school year in a pre-season friendly against our friends from Penkford School. The game was played in the right spirit with both teams giving their all, with Meadow Park coming out on top winning the game 3-2. The goals were scored by Alfie Sanderson, Zane Kent and Harry Boyton. A special mention to Fabian Kirkwood who made some fantastic match winning saves and Lewis O'Keefe who was voted player of the match by all the other players.

Squad: Mason Hill, Leighton Temple, Harry Boyton, Zane Kent, Fabian Kirkwood, Lewis O'Keefe, Harry Murphy, Alfie Sanderson, Matthew McClune.

Penkford school contacted Mr O'Brien to say 'Your lads were credit to themselves and the school'.

We are very proud of you!

**Staff STAR of the week:** Laura Wilton who is an amazing LF who goes above and beyond to help both students and staff! She is greatly appreciated and truly valued! Miss Lyon (Science)

Joe Whitney and Reece Walker using power tools to create the cockpit for an exciting STEM project...

Class Prospect carrying out research on a mental health issue of their choice. They had to answer questions using the internet, summarise their information and create a Ppt of facts they had gathered.

### Miss Lyons' big shout out to.....

Joni Best, Millie Doyle and Abbi Evans for their excellent effort in Science and great progress through their BTEC coursework.

Libby Rawcliffe for her hard work during GCSE Science lessons and for being a pleasure to teach.

Class Aspire who always make me feel welcome on their table at lunch time.

A huge well done to Alfie Sanderson for a very successful week in Science!

Lauren Condon produced an amazing piece of work as part of her BTEC Physics coursework which was of a high standard.

**Have a great week!**
