**Childcare** - Joni Best for maximum effort in every lesson

**Hair & Beauty** - Libby Rawcliffe amazing wanding skills

**Personal Development** - Warren Moorcroft for a mature attitude to mental health

**Maths** - Abby Evans for an outstanding effort

## GOOD NEWS STORIES

Staff in Minerva would like to announce a special recognition for the improvements made by Stevie Bibby, 'He will engage with minimum prompts and cajoling. He can discuss daily topics in a serious and often thought provoking manner, this can lead to informal debate with his peers, and he will often give his point of view with conviction'. Mr Roberts

KS3 Liberty and Endeavour have engaged really well this week in English, particularly when reading Stone Cold and completing work based on it.

Class Liberty made me really proud by showing a visitor how well engaged they were.

Drew Hughes created a fantastic Snakes & Ladders road safety game for Personal Development.

Mrs Sankey

Year 11 girls enjoying the sally squat challenge at the end of lesson, this never fails to boost the mood and lifts spirits 😊 Mrs Walsh

## Value of the week: 'We belong together as one safe school'

Assembly Topic of the week:	Personal Development Focus:	Special Days:
Wellbeing	Mental Health	6 <sup>th</sup> Harvest Festival 8 <sup>th</sup> Ada Lovelace Day 8 <sup>th</sup> – 9 <sup>th</sup> Yom Kippur 10 <sup>th</sup> World Homeless Day Fire Safety week Dyslexia Awareness week

## Local Hero Drops In

One of our local heroes dropped into Meadow Park this week; none other than our ex-student, Kyle Irvine.

Kyle made the news recently when he saved the life of a man who collapsed in the street. Kyle performed CPR on him until the ambulance service arrived, saving his life.

He came to Meadow Park to speak to staff and students about his heroic act, and to receive a t-shirt from Mr Devlin as thanks for the credit he gave to the school for teaching him this vital skill. He also met with Mr P Jones, the teacher who taught him the CPR technique used to save a life. Mrs Riley told Kyle that he was "a real credit to the school and to his family."

While speaking to class Hope, Kyle said, "It was really terrifying. I just kept going." Kyle told class Hope about about how important Meadow Park was to him. "I had good days and bad days just like you. But when I got taught the lesson about CPR, that was the most important one I ever learned at Meadow Park. If I hadn't learned that lesson, that man wouldn't be here today. I was actually going to stay off that day but I am glad I came in!"

Kyle hopes to have a career as a paramedic in the future, and we at Meadow Park think he has all the makings of being an excellent one! He plans to return to visit Meadow Park soon; he really agrees that

**#beingheremakesalldifference.**

## Staff STAR of the week:

Tom Ward for being flexible and always being willing to go above and beyond.

Nominated by C. Tipton.

**Have a great week!**
