

STARS OF THE WEEK

Kevin Durney – Because being here makes all the difference. Food/Art

Joni Best – Outstanding effort in Art and Food

Jake Cadman – Working hard to improve his drawing skills.

KS3- Maths; Sean Pollard for an excellent start at MP and for persisting with challenging work.

KS3- PD; Ashton Wilson for engaging in mature conversations

KS4- Maths; Kevin Durney for outstanding effort completing Entry Level papers

Alfie McMurrie for producing some outstanding pieces of art

KS3 - Matthew McClune - outstanding effort and determination during Meadow Park's latest football fixture.

KS4 - Lewis Lyon - For sensible and mature attitude towards his Sports Studies.

KS4 English – Siana Morrison for being motivated and determined to do better in lessons. She has completed some challenging tasks with resilience.

Kevin Durney for excellent attendance in lessons as well as trying his best

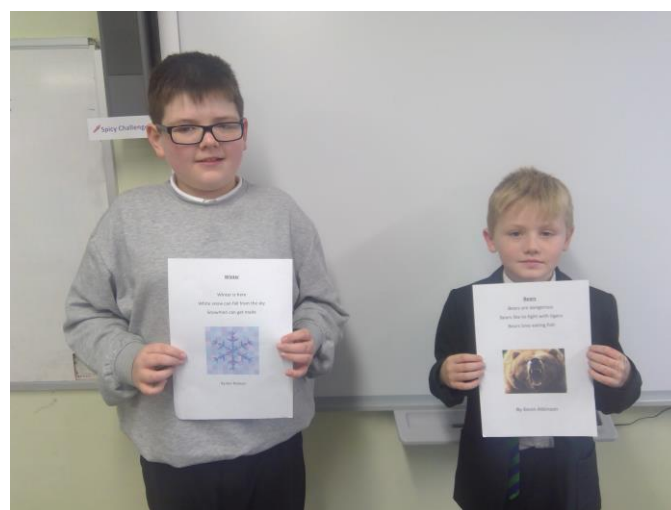

Kallon Wishart always giving 100%

Reece Foster, for his positive attitude and hard work.

Well done everybody!

GOOD NEWS STORIES

This week class Hope have been exploring poetry. Our students created these wonderful Haiku poems which they performed to staff and students. We have also been discussing healthy relationships. We identified what healthy relationships are and investigated what help was out there if we (or anyone we knew) wasn't in a healthy relationship. We then designed some poster to raise awareness across school. Finally, we have been doing our very best to collect crisp packets for 'The crisp packet project' which collects empty packets and turns them into bivi bags that go inside sleeping bags. They are given out to the homeless and provide valuable insulation especially at this time of year. We will be creating a presentation to hand out to each class so they can help us and are on a mission to collect as many as possible! Miss Hudson

Staff STAR of the week:

A special thankyou to Mr Brian Campbell, who used his life saving skills to stop a student from choking during a rewards trip!

Here are some pictures from our children in need fundraising. Special mention for my year 10s. Reece Walker, Jake Cadman, Jack Thomas, Sonny Obrien, Lewis Okeefe and Jake Yates.

Lots of our upper years students have had a lesson on Gambling awareness provided by the beacon trust, this was interactive and fun and students responded really well.

Class Liberty were able to work with patterns, developing their own from the influence of African Art. They used a range of media from coloured pencils and pastels to mixed media work to express their ideas.

Ashley M, one of our ex-students dropped in to see us. He will be starting his apprenticeship at @McDonaldsUK next week. Ashley said, "I miss everyone at Meadow
