

STARS OF THE WEEK

Computing

KS3 - Alfie Sandison has shown good independent working skills in computing.
KS4 - Lewis Lyon is making good progress with his core coursework unit.

English

Reece Walker, Michael McVerry, Lewis O'Keefe and Jake Cadman for reading in front of an audience.

Maths

Libby Rawcliffe for trying to get it right and great work in lessons.

GOOD NEWS STORIES

Joni Best, Mason Hill and Kallon Wishart for demonstrating a high level of maturity and charisma whilst representing Meadow Park at the Malmaison hotel.

Staff Star of the week:

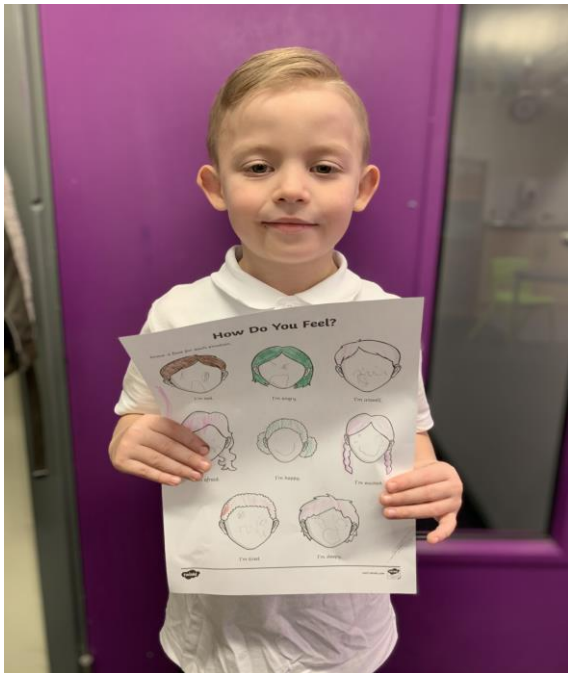

Mr Stafford would like to nominate Paul Jones for 'his consistent high standards and always delivering them'.

An anonymous nomination is for Mr Cooney. 'He is absolutely hilarious and is one of the kindest and most helpful staff members'.

Date w / c Monday	Assembly topic of the Week	Value of the Week	PD focus
10 / 02 / 20	Celebration Assembly	We resolve problems patiently; we're not afraid to make tough decisions.	Managing Conflict

Acorns has started! It has been such a collective effort to get the provision ready and everyone has been incredibly supportive.

Miss Hudson's star of the week is Jacob Blease. Jacob doesn't like the texture of paper or the sound of colouring pencils and, before coming to Acorns, only wrote in pen while leaning on a toy. Today he challenged himself by not only carrying a piece of paper but also using pencils to colour his picture! We are super proud of his progress!!!

Ms Kelly would like to nominate Luke Davern for helping and encouraging younger peers last week, to make positive choices, on a number of occasions.

STAR2 enjoyed designing and making calm jars on Thursday afternoon as part of their personal development sessions. The children will use these as a calming strategy by shaking them up and watching all the glitter and objects settle.

We are all excited to welcome our Acorn group to Meadow Park and wish them lots of luck in their new class!
