

STARS OF THE WEEK

HOPE

Jake Hudson for his amazing work with fractions during sessions with Mrs Davies.

ENGLISH

KS4 - Libby Rawcliffe for excellent recall of language devices.

Michael McVerry for outstanding attitude, behaviour and contribution during all English lessons.

KS3 - Mark Murphy for settling in English and producing some lovely work based on Romeo and Juliet.

PE

KS2 - Ceejay Shelley for working really hard on improving his fitness and be a helping hand for Mr Campbell.

KS3 - Joseph Murphy has made a fantastic start to PE at Meadow Park.

KS4 - Joel Keegan has shown a mature approach to his PE lessons this week and produced fantastic work both in theory and practical lessons.

MATHS

KS3 - Aaron Smith- For not giving up and persevering when he finds the work challenging. Great progress is being made!

KS4 – Jay Purcell for excellent work and attitude in his mats lessons.

PERSONAL DEVELOPMENT

Madison Part for taking part in mature conversations and being actively engaged in each lesson.

HAIR & BEAUTY

Libby Rawcliffe for always trying hard in H&B lessons and giving 100%
Anna-Leigh Oates for settling in well and having a great attitude to learning

SCIENCE

Paul Moran for improved effort in Science and for challenging himself to complete Merit tasks as part of his BTEC Science coursework

Warren Weston for his excellent practical skills and for completing higher level work.

FOOD & ART

Joni Best – an amazing attitude and for tirelessly working towards completing her coursework in Food and Nutrition

Michael Mcvery – An outstanding attitude towards his art work.

DESIGN TECHNOLOGY

KS4 students have been a fantastic help this week to help construct our painting and decorating bays in the workshop. They have created 4 independent pods which they will learn to paint and wallpaper during the second half of the spring term. Students involved: Fabian Kirkwood, Mason Hill, Paul Moran and Joel Keegan

Joseph Murphy for perseverance in textiles

COMPUTING

KS4 - Kim Chapman much-improved effort with coursework
KS3 - Aaron Smith great attitude to the computing subject and good work

ACORNS

Vincent Rowlands for a fantastic attitude to learning.

Jacob Blease for another wonderful week of learning.

Ceejay Shelley for working incredibly hard in intervention sessions.

MPA

Callun Sweeney has made a really good start at MPA, engaging well with his lessons and being more positive.

Reece Foster has improved attendance.

GOOD NEWS STORIES

Class Hope had a great trip visiting Radio City yesterday and were given funky glasses for being such fab visitors.

Science

Congratulations to Ceejay and Luke from Class Hope and Maddison, Paul and Ethan from KS2 STAR for winning the 'jelly cube insulation' competition.

Well done to Reece Smallwood, Brandon Hutchinson and Megan Pilcher for their amazing effort and excellent progress made through their Science BTEC coursework.

KS3 pupils on the beacon project, had a fantastic day at Moel Famau and encouraged each other to all make it to the top. Miss Carter is very proud of each and every one of them.

Miss Carter has been very impressed with Drew Hughes this week, he didn't think he would complete the Moel famau challenge, but he dug deep and with help from his peers he completed it with a great attitude.

Design Technology decorating bays being created in the workshop

Perseverance in Textiles

Acorns have been trying new things! As you can see from the pictures not all 'new things' have been successful but it's been lovely to watch the children experiment!
