PATIENCE • GUIDANCE • DETERMINATION

Meadow Park
Patience, Guidance and Determination

Week 1- STAR	Maths	English	Personal Development
Monday	https://www.twinkl.co.uk/resource/t3-m-4363-ratio-lesson-1-introduction-to-ratio	https://www.twinkl.co.uk/resource/t3-e-508-champions-league-differentiated-comprehension-go-respond-activity-sheets	https://www.bbc.co.uk/bitesize/topics/zhvbt39/articles/zmkhbk
	Introduction to ratio. Worksheets and lesson	Comprehension worksheet. Write all your answers in full sentences.	Introduction to Healthy lifestyle Focus on activity – includes test
Tuesday	https://www.twinkl.co.uk/resource/t3-m-4365-ratio-and-proportion-lesson-2-scale-and-scale-drawing	https://www.twinkl.co.uk/resource/t3-e-552-dracula-comprehension-activity-sheet	https://www.bbc.co.uk/bitesize/topics/zhvbt39/articles/zj83gp3
	Focus on scale and scale drawing Worksheet and lesson	Comprehension worksheet. Write all your answers in full sentences.	What is an unhealthy lifestyle? Video, explanation, test at the end.
Wednesday	https://www.twinkl.co.uk/resource/t3-m-4364-ratio-lesson-3-proportion	https://www.twinkl.co.uk/resource/t3-e-206-gcse-style-reading-and-writing-assessment-bumblebees	https://www.bbc.co.uk/bitesize/topics/zhvbt39/articles/zfn7vk7
	Focus on proportion. Worksheets and lesson	Comprehension worksheet. Write all your answers in full sentences.	What is a healthy relationship? Video, explanation, test at the end.
Thursday	https://www.twinkl.co.uk/resource/t3-m-4366-ratio-lesson-4-direct-proportion	https://www.twinkl.co.uk/resource/t2-e-190-writing-a-balanced-argument-worksheets	https://www.bbc.co.uk/bitesize/topics/zhvbt39/articles/z729t39
	Focus on equations involving quantities which are directly proportional to each other using	Writing a balanced argument. Choose a topic you feel strongly about, and use the worksheet to	Why do we take risks? A focus on the correct way to take risks and stretch ourselves as people, without causing lasting harm to

	graphs. Worksheet and lesson	explain your point of view.	ourselves and others.
Friday	https://www.twinkl.co.uk/resource/t3-m-4368-ratio-lesson-5-inverse-proportion-lesson-pack	https://www.twinkl.co.uk/resource/t3-dd-81-there-should-only-be-one-tv-and-tablet-per-household-to-help-reduce-energy-consumption-and-co2-emissions-discuss-lesson-pack	https://www.scouts.org.uk/activities/pixel-art/
	Focuses how to find equations linking inversely proportional quantities and recognise their graphs.	A focussed topic for you to debate. Using the sheet from yesterday, create your balanced argument.	An activity you can do at home, for free. Creating pixel art – using your creative skills and imagination.

Week 2- STAR	Maths	English	Personal Development
Monday	https://www.twinkl.co.uk/resource/t3-m-4342-area-perimeter-and-volume-lesson-3-area-of-2d-shapes	https://www.twinkl.co.uk/resource/ghosts-lesson-1-identifying-and-interpreting-information-t-e-2549754	https://www.bbc.co.uk/bitesize/topics/zhvbt39/articles/zj79t39
	Focus on finding the area of 2-D shapes. Worksheets and lesson.	This lesson focuses on Identifying and interpreting information from a text.	This lesson focuses on how to understand and handle our emotions. It has a video, explanation and a test.
Tuesday	https://www.twinkl.co.uk/resource/t3-m-4339-perimeter-of-2d-shapes-lesson-pack	https://www.twinkl.co.uk/resource/ghosts-lesson-2-text-and-subtext-t-e-2549755	https://www.bbc.co.uk/bitesize/topics/znbrpg8/articles/zk79t39
	Focus on finding the perimeter of 2-D shapes. Worksheets and lesson.	This lesson focuses on text and sub-text, and how to identify them in a piece of writing.	This lesson focuses on Diversity, and helps to identify how different people, places and cultures live their lives. Video and test.
Wednesday	https://www.twinkl.co.uk/resource/t3-m-4211-area-of-composite-shapes-lesson-pack	https://www.twinkl.co.uk/resource/ghosts-lesson-3-synthesising-information-t-e-2549756	https://www.bbc.co.uk/bitesize/topics/znbrpg8/articles/zhvtcat

	Focus on finding the area of composite shapes. Worksheet and lesson.	This lesson is about synthesising information from what we learn from a text.	This lesson focuses on living in diverse society. How we can learn to accept how others live, and live together. Video and test.
Thursday	https://www.twinkl.co.uk/resource/t3-m-4346-ks3-geometry-unit-1-volume-of-prisms-lesson-pack	https://www.twinkl.co.uk/resource/ghosts-lesson-4-language-techniques-t-e-2549757	https://www.bbc.co.uk/bitesize/topics/znbrpg8/articles/zjtwbdm
	Focus on the volume of prisms and other 3-D shapes. Worksheet and lessons.	This lesson focuses on language techniques and how writers create an atmosphere.	This lesson focuses on promoting inclusion, from different cultures, disability, and sexuality. Video and test.
Friday	https://www.twinkl.co.uk/resource/t3-m-4326-ks3-geometry-unit-1-homework-tasks	https://www.twinkl.co.uk/resource/ghosts-lesson-5-narrative-structure-t-e-2549760	https://britishmuseum.withgoogle.com/?mod=article_in_line
	Homework bringing together all the lessons for the week. Worksheets and tasks.	This lesson focuses on narrative structure, and how an author tells a compelling story.	Field trip. This is virtual tour of the Museum of the World. It covers all of the exhibits housed in the museum. Have fun exploring.

Week 3-STAR	Maths	English	Personal Development
Monday	https://www.twinkl.co.uk/resource/t3-m-4531-averages-lesson-1-the-mode-and-range	https://www.twinkl.co.uk/resource/ghosts-lesson-6-analysing-language-t-e-2549761	https://www.bbc.co.uk/bitesize/topics/zfr4scw/articles/zf93qp3
	Focus on averages – mode and range. Worksheets and lesson	This lesson focuses on language and why certain words are more effective at conveying a message to the reader.	This week focuses on getting a job after school. This first lesson looks at employability and what employers look for in their workers.
Tuesday	https://www.twinkl.co.uk/resource/t3-m-4664-averages-lesson-2-the-median	https://www.twinkl.co.uk/resource/ghosts-lesson-7-ideas-and-perspectives-t-e-2549762	https://www.bbc.co.uk/bitesize/topics/zfr4scw/articles/z6bnkmn
	Focuses on averages - finding the	This lesson focuses on reinforcing	This lesson focuses on how to apply for a job, what

	median of sets of data. Worksheets and lessons	language techniques, and how different perspectives can affect a story	happens during an interview, and how to write a CV.
Wednesday	https://www.twinkl.co.uk/resource/t3-m-4532-averages-lesson-3-the-mean	https://www.twinkl.co.uk/resource/ghosts-lesson-8-comparisons-t-e-2549763	https://www.bbc.co.uk/bitesize/topics/zfr4scw/articles/zfq9t39
	Focuses on averages – finding the mean in sets of data. Worksheets and lesson.	This lesson focuses on compare and contrast techniques.	This lesson talks about how you can work for yourself. It talks about setting up your own business, and what that entails.
Thursday	https://www.twinkl.co.uk/resource/t3-m-4533-averages-lesson-4-estimating-the-mean	https://www.twinkl.co.uk/resource/ghosts-lesson-9-evaluating-texts-t-e-2549764	https://www.bbc.co.uk/bitesize/topics/zfr4scw/articles/zm4d8xs
	Focuses on averages – estimating the mean of sets of data. Worksheets and lessons.	This lesson is about evaluating a text, checking if it reliable.	Not everyone is able to go to university, but that doesn't mean you cannot get a good job. This lesson is an A-Z guide of what jobs are available to everyone, regardless of degree.
Friday	https://www.twinkl.co.uk/resource/averages-lesson-5-averages-revision-t3-m-4740	https://www.twinkl.co.uk/resource/ghosts-lesson-10-selecting-quotations-t-e-2549765	https://kids.sandiegozoo.org/?mod=article_inline
	Brings together everything from the weeks lessons into a revision package.	This lesson helps pupils learn to select quotes from a text.	Field trip. This site is about the San Diego Zoo, in California. It has games, videos, activities, and information about all the animals. Go explore and have fun.

Teacher Instructions

Maths

Each lesson has a lesson pack attached (see hyperlink), which includes the lesson plus the resources needed to complete the work. If you do not have access to a printer, please write down your answers in a book, along with the date, lesson title and activity. You can use a calculator to help if needed, unless instructed not to in the lesson.

English

Each lesson has a lesson pack attached (see hyperlink), which includes the lesson plus the resources needed to complete the work. If you do not have access to a printer, please write down your answers in a book, along with the date, lesson title and activity.

Personal
Development

Each lesson has a lesson pack attached (see hyperlink), which includes the lesson plus the resources needed to complete the work. If you do not have access to a printer, please write down your answers in a book, along with the date, lesson title and activity.
