Art

I would like you to focus on the different elements of Art such as line, colour, shape and form. Use the GCSE BBC Bitesize website to research and create a portfolio or small sketchbook demonstrating your understanding of these basic elements of art and design. If you haven't got access to paper or a sketchbook then use whatever you can find. Newspapers, cereal boxes, food packaging. REMEMBER WE ARE NOT ALL ARTISTS! YOU GET POINTS FOR TRYING! There are plenty of online tutorials on Youtube.

Tones could refer to black, white and the grey tones between. It could refer to how light or dark a colour appears.  In real life tone is created by the way light falls on an object.	Form refers to three dimensional objects. While shapes have two dimensions (height and width), forms have three dimensions (height, width and depth).
<b>Lesson 3</b>	Colour <a href="https://www.bbc.co.uk/bitesize/guides/z9bbk2p/revision/1">https://www.bbc.co.uk/bitesize/guides/z9bbk2p/revision/1</a>	Tone <a href="https://www.bbc.co.uk/bitesize/guides/z2thmsg/test">https://www.bbc.co.uk/bitesize/guides/z2thmsg/test</a>	Form <a href="https://www.bbc.co.uk/bitesize/guides/zypp3k7/test">https://www.bbc.co.uk/bitesize/guides/zypp3k7/test</a>
	<b>Watch the video and record the key points.</b> How a work of art or design looks and what we feel about it depends on a number of colour choices: <ul style="list-style-type: none"> <li>• <b>Colour relationship</b> – are there similar, <b>harmonious</b> colours or very different, <b>contrasting</b> colours?</li> <li>• <b>Colour temperature</b> – how warm or cool are the</li> </ul>	Complete online test.
