

# KS2 Mathematics

Week 1

Week commencing-

**Meadow Park**  
Patience, Guidance and Determination

## Teacher instructions

You will find a series of Maths lessons for each year group from Year 3-6. Every lesson includes a short video showing you clearly and simply how to help your child to complete the activity successfully. Simply write the questions and answers in a book or on pieces of paper.

- 1- Click on the set of lessons for your child's year group.
- 2- Complete short quiz to test prior knowledge
- 3- Watch the video with your child.
- 4- Find a suitable space for your child to work. Try to allow opportunities for your child to complete these questions independently.

**If your child is finding the work difficult, please select the year below to practise some of their skills.**
