'This School will use the job roles contained within the Support Staff Pay and Grading Documents 2005 and 2006, supplemented by any additional roles that are created as a result of the outcome of the job evaluation/grading appeals process that followed the implementation of the 1st January 2014 pay and grading structure. It should be noted that implementation of the A to Q grading structure and any future revisions supersedes the scale/grade bands referred to in the Support Staff Pay and Grading Documents 2005 and 2006.'

Pay Policy Approved: The Governing Body of Meadow Park School adopted this policy on November 2020
Implementation Date: November 2020

1. INTRODUCTION

- 1.1 The School Teachers' Pay and Conditions Document (STPCD) requires School's to have a pay policy that sets out the basis on which they determine teachers' pay; the date by which they will determine the teachers' annual pay review; and the procedures for determining appeals. Schools must stay within the legal framework set out in the Document and in other relevant legislation that affects all employers (for example, legislation on equality, employment protection and data protection).

This policy sets out the framework for making decisions on pay for teachers' and support staff including the procedure for determining appeals. It has been developed to comply with current legislation and the requirements of the STPCD and the locally agreed Knowsley Metropolitan Borough Council's (KMBC Support Staff Pay and Grading Documents 2005 and 2006) and takes into consideration the Knowsley Pay Review Package 2014

It is recommended that the Governing Body have established a committee to make determinations of pay in accordance with this pay policy. This function is performed by the Resources and personnel committee

The pay policy has been consulted on with the teacher and support staff trade unions and staff.

Any reference to 'school' throughout this policy will include those educational establishments designated Centres for Learning or Academies.

- 1.2 The aim of this pay policy at this School is to:

- Provide a simplified framework for leadership pay and greater autonomy for the school to set leadership pay in the light of the school size, context and challenge;
- Provide a simple approach to assist the governing body to set pay when appointing a new head teacher, which requires assessment of the particular challenges and circumstances of the School and

judge the extent to which these, together with the skills required which will be reflected in the determination of the head teachers individual pay range;

- Provide formal headroom above the current leadership maximum to incentivise and reward head teachers when taking on some of the largest and most challenging leadership roles;
- Provide flexibilities to manage performance and reward school leaders, with individual decisions on pay progression to be made according to performance;
- Provide a clear and useable framework for setting the pay of school leaders enabling Governing Bodies to match pay to accountabilities and the local needs of the School. This will help the School to respond effectively in a rapidly changing sector and offer appropriate reward to high quality leaders where standards have been raised;
- maximise the quality of teaching and learning within the School;
- support the recruitment and retention of a high quality workforce;
- enable the School to recognise and reward staff for their contribution to the School;
- help to ensure that decisions on pay are managed in a fair, just and transparent way.

The policy also supports the aims detailed within the School Improvement Plan: to ensure that children achieve their best life chances through a robust and inclusive setting and improved quality of education.

1.3 When taking pay decisions, Schools must have regard both to their pay policy and to the individual's particular post within the staffing structure.

1.4 All teachers employed at this School will be paid in accordance with the statutory provisions of the STPCD as updated from time to time. A copy of the latest version of the School Teachers Pay and Conditions Document (STPCD) is available to download on the following website

<https://www.gov.uk/government/publications/school-teachers-pay-and-conditions>

1.5 Pay ranges from 1 September 2020

There are four pay ranges for other teachers detailed within the STPCD:

- (i) the unqualified teacher range (UTR).
- (ii) the main pay range (MPR) for qualified teachers who are not entitled to be paid on any other pay range;
- (iii) the upper pay range (UPR);
- (iv) Leading Practitioners (LP) – School's have discretion to create posts for qualified teachers whose primary purpose is modelling and leading improvement of teaching skills where such posts are created these will be paid on the pay range for Leading Practitioners.

There are three pay ranges that have been determined locally on the leadership pay range detailed within the STPCD:

- (i) Head teacher/Principal;
- (ii) Deputy Headteacher/Vice Principal;
- (iii) Assistant Headteacher/Assistant Principal;

1.6 The Head teacher and Governing Body will consult staff and trade unions/professional associations on this policy and review it each year or when other changes occur to:

- a) The School Teachers Pay and Conditions Document, to ensure it reflects the latest legal position. The Pay policy will comply with the current STPCD. It will be used in conjunction with them, but, in the event of any inadvertent contradictions, the STPCD and guidance will take precedence.
- b) The scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the 'Green Book' in this Policy), as adopted and applied through local agreement.
- c) The KMBC Support Staff Pay and Grading Documents 2005 and 2006.
- d) Knowsley Pay Review Package 2014.

An annual written report will be prepared and shared with school based trade union/professional association representatives, where present.

1.7 All support staff employed at this School will be paid in accordance with the scheme of conditions of service agreed by the National Joint Council for Local Government Services (referred to as the '[Green Book](#)' in this policy) or the KMBC Support Staff Pay and Grading Documents 2005 and 2006 and the outcomes of the Knowsley Review Package 2014.

1.8 **Monitoring the impact of the policy**

The Governing Body will monitor the outcomes and impact of this policy on a yearly basis, including trends in progression across specific groups of teachers to assess its effect and the School's continued compliance with equalities legislation.

2. STAFFING STRUCTURE

2.1 The Governing Body will determine the staffing structure of the School. This will set out the agreed posts, duties and responsibilities. Both the STPCD and Green Book require that salaries and salary ranges attached to each post be based on the duties and responsibilities attached to it in the staffing structure.

The staffing structure will be reviewed annually and is attached at **Appendix 1**.

2.2 Where any permanent or temporary structural changes are made to the School then the head teacher will consult with staff and the school based union representatives outlining the rationale for the change and share the detail of any selection process that may be needed. In the absence of a School based representative the School will consult with the Local Representatives of the relevant Professional Associations/Trade Unions. The School will ensure that a ten working day window is used for any consultation.

2.3 In accordance with paragraph 2.2 where any permanent or temporary structural changes occur then the Governing Body agree to consult and share information that will allow the School based representative/local representative to provide any feedback.

This information will be as follows:

- A copy of the current pay policy;
- Three year financial projection;
- three year pupil projection;

- job description/person specification;
- details of changes to structure;
- the reasons for the change;
- how you intend to appoint;
- timeline of implementation.

3. PAY REVIEWS (TEACHERS)

- 3.1 The Governing Body will ensure that each teacher's salary is reviewed annually, with effect from 1 September and no later than 31 October each year. Pay reviews in accordance with this paragraph are for the particular purpose of progression within an existing agreed pay band/range of points.
- 3.2 All teachers must be given a written statement setting out their salary and any other financial benefits to which they are entitled. Reviews by the Governing Body may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.
- 3.3 Where a pay determination leads or may lead to the start of a period of safeguarding, the Governing Body will give written notification as soon as possible and no later than one month after the date of the determination.
- 3.4 Decisions on the pay of the Head teacher will be communicated by the Chair of the Governing Body, in writing in accordance with the STPCD timing of salary determination and notification.
- 3.5 In accordance with paragraph 4.2 of the School Teachers Pay and Conditions Document 2020, the school may choose to review the pay of some/all leadership posts however the provisions under paragraph 4.2 are at the discretion of the governing body.

4. APPEALS (TEACHERS)

- 4.1 In matters relating to pay, the teacher has only one opportunity to appeal. A teacher may appeal against the determination in relation to his/her pay or any decision taken by the dedicated pay committee that affects his/her pay within their existing pay band/progression onto the Upper Pay Range.

- 4.2 At any stage of the appeal process, a teacher may be accompanied by and represented by a colleague or trade union representative.
- 4.3 The following list, which is not exhaustive, includes the usual reasons for appealing against a pay determination.

That the person or committee by whom the decision was made;

- (a) Incorrectly applied any provisions of the STPCD
- (b) Failed to have proper regard for statutory guidance
- (c) Failed to take account of relevant evidence
- (d) Took account of irrelevant or inaccurate evidence
- (e) Was biased; or
- (f) Otherwise unlawfully discriminated against a teacher

4.4 Any challenge in relation to paragraph 4.2 of the STPCD will be dealt with outside of this appeal process.

5. APPEALS (THE ORDER OF PROCEEDINGS)

5.1 The order of proceedings for hearing an appeal is as follows:

- The teacher receives written confirmation of the pay determination and where applicable the basis on which the decision has been made.
- If the teacher is not satisfied, he/she should seek to resolve this by discussing the matter informally with the Head teacher within ten working days of the decision.
- Where this is not possible, or where the teacher continues to be dissatisfied, he/she may follow a formal appeal process.
- The teacher should set down in writing the grounds for appealing the pay decision (which must relate to the grounds as set out above) and send it to the Headteacher within ten working days of the notification of the decision or of the outcome of the informal discussion referred to above.
- Any appeal should be heard by a panel of three governors (who were not involved in the original pay decision) normally within 20 working days of the receipt of the written appeal notification. The teacher will be given the opportunity to make representations in person and to be accompanied by a friend or a trade

union/professional association representative. The decision of the appeal panel will be given in writing within ten working days of the appeal hearing and the reasons for the decision. The format for the appeal hearing is attached at **Appendix 2**.

6. BASIC PAY DETERMINATION ON APPOINTMENT (TEACHERS)

6.1 The Governing Body will determine the full pay range for a vacancy prior to advertising. All teaching vacancies within this School will be advertised identifying the MPR 1 – MPR 6 and UPR 1 – UPR 3. On appointment this School will apply the principles of pay portability for all new appointees, however this School will have the flexibility to offer an enhanced salary taking into account a range of factors, including;

- The nature of the post
- The level of qualifications, skills and experience required
- Market conditions
- The wider School context.

These options are for guidance only, are not intended to provide an exhaustive list, and may not apply to all appointments.

There is no assumption that a teacher will be paid at the same rate as they were paid in a previous School however as a minimum requirement the principles of pay portability will be applied.

7. LEADERSHIP POSTS - GENERAL

7.1 Members of the Leadership group must demonstrate sustained high quality performance, with particular regard to leadership, management and pupil progress at the School and will be subject to review of performance against objectives before consideration of awarding pay progression.

7.2 Head teachers

The Governing Body will ensure that the Head teacher's salary is reviewed annually, with effect from 1 September and no later than 31 December each year.

The unit total for the School is Group 5 Leadership Pay Range L18-L30 and the Governing Body have assigned the school Head teacher group as L25 – L30.

The Governing Body have assigned the individual school range (ISR) of points L18 to L30. For the purposes of the 2014 arrangements the School has maintained an equivalent range of L25 to L30 which are now referred to as reference points. (**Appendix 4** details leadership group pay range).

The Head teachers salary will not increase by more than two points in the course of one school year.

7.3 Leadership Group Pay

7.3.1 The determination of leadership group pay introduced on the 2014 STPCD will only be applied to individuals appointed to a leadership post on or after 1 September 2014, or whose responsibilities have significantly changed on or after that date. The governing body will determine, in light of the schools particular circumstances and context the extent to which any change should be regarded as 'significant'. In doing so, the governing body will pay particular attention to the extent to which the change creates new levels of accountability and responsibility for the leadership group member or members.

7.3.2 The School may choose to review the pay of all of their leadership posts in accordance with the arrangements introduced in the 2014 document if they determine that this is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1 September 2014 or with pay arrangements for a member or members of the leadership group whose responsibilities have significantly changed on or after that date.

The dedicated pay committee will determine the salary for head teachers, deputy head teachers or assistant head teachers in accordance with the STPCD.

7.3.3 The pay range for members of the leadership group is shown in **Appendix 4**. The individual salaries contained within the appendix will

be used as reference points for the future progression of members of the leadership team.

- 7.3.4 The School acknowledge that all pay decisions must be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

7.4 **Determination of leadership pay range**

- 7.4.1 The dedicated pay committee will assign the School to a head teacher group for the purposes of paragraph 11 of the STPCD in accordance with paragraph 5, 6, 7, 8.

- 7.4.2 The School will determine a unit score and the Governing Body will assign a School Head teacher group.

- 7.4.3 When determining the leadership pay *range* the dedicated pay committee will take into account all of the permanent responsibilities of the role, any challenges that are specific to the role, and all other relevant considerations.

The Governing body will assign the School a salary range from within the assigned headteacher group. The Governing Body will decide on the amount of reference points that they will use taking into consideration 7.4.3 of this policy.

- 7.4.4 Where possible, the dedicated pay committee will ensure that the pay range for the head teacher will not exceed the maximum of the head teacher group.

However, the head teachers pay range may exceed the maximum where the dedicated pay committee determines that circumstances specific to the role or candidate warrant a higher than normal payment. The dedicated pay committee will ensure that the maximum of the head teacher's pay range and any additional payments made under paragraph 10 of the STPCD will not exceed the maximum of the head teacher group by more than 25% other than in exceptional circumstances; in such circumstances, the the dedicated pay committee will seek external independent advice before providing such agreement and support its decision with a business case.

- 7.4.5 The maximum of the deputy or assistant head teacher's pay range will not exceed the maximum of the head teacher group for the School. The dedicated pay committee will ensure that the pay range

for the Deputy Head teacher or Assistant Head teacher, where appropriate, will only overlap the head teacher's pay range in exceptional circumstances.

- 7.4.6 Upon appointment a new Head teacher will be placed on a point within the salary range which will be determined following the recruitment and selection process. The selection panel will ensure that there is appropriate scope within the range to allow for performance related progress over time.

7.5 **Pay progression for the leadership group**

- 7.5.1 Pay progression for the leadership group which is identified within this paragraph will apply to those arrangements pre 2014 and post 2014. Effectively the new provisions contained within this pay policy for pay progression for the leadership group will apply to all leadership group posts (excluding leading practitioners).

The Governing Body will ensure that the Head teacher's/Principal's/Deputy Head teacher's/Assistant Head teacher's salary is reviewed annually in line with the School's appraisal policy.

- 7.5.2 The new progression arrangements detailed within this paragraph will apply to all School Leaders.
- 7.5.3 The School must consider annually whether or not to increase the salary of members of the leadership group (namely head teachers, deputy head teachers and assistant head teachers) who have completed a year of employment since the previous pay determination and, if so, to what salary within the relevant pay range.
- 7.5.4 Head teachers/Deputy Head teachers/Assistant Head teachers will be eligible for a pay increase of one point on the identified pay range where;
- they meet all of their objectives;
 - are assessed as fully meeting the relevant standards and;
 - there is clear evidence that the School Improvement Plan/School Development Plan has been delivered.
- 7.5.5 Head teachers/Deputy Head teachers/Assistant Head teachers may be eligible for a pay increase of two points on the identified pay range where;
- they exceed all of their objectives;

- are assessed as fully meeting the relevant standards and;
- there is clear evidence that the School Improvement Plan/School Development Plan has been delivered.

7.5.6 Head teachers/Deputy Head teachers/Assistant Head teachers will not be eligible for a pay increase on the identified pay range where;

- objectives have not been met and/or;
- they have not fully met the relevant standards and/or;
- there is clear evidence that the School Improvement Plan/School Development Plan has not been delivered.

7.5.7 Pay progression on the leadership pay range will not be automatic each year.

7.5.8 No Head teacher/Deputy Head teacher/Assistant Head teacher will increase by more than two points in the course of one school year unless there are exceptional circumstances and where supported by a business case. The Governing Body recognise the need to seek advice from Human Resources before taking any such action.

In addition, the School will also consider the paragraph 11.2 of the STPCD when deciding how pay progression will be determined.

7.6 **New appointments - the three stage process**

7.6.1 This School will follow the three stage process identified below.

This three stage process will ensure that the governing body has the flexibility to set pay at the level needed to attract head teachers and other members of the leadership team by systematically considering the role before advertising the post.

The governing body will ensure that all decisions and the reasons for them are well documented at every stage. All pay decisions will be made on objective criteria so that there is no discriminatory effect on any group of teachers with a particular protected characteristic under the Equality Act 2010.

7.7 **Stage 1 – Defining the role and determining the head teacher group**

7.7.1 The governing body will use this stage to define the job and identify the broad pay range as a provisional guide to determining the appropriate level of pay.

The governing body will define and set out the specific role, responsibilities and accountabilities of the post as well as the skills and relevant competences required.

7.7.2 For head teacher posts the governing body will assign the school to a head teacher group which will determine the appropriate broad pay range. The governing body will do this by calculating the total unit score for the school in accordance with paragraphs 5-8 of the STPCD.

7.7.3 For other leadership group posts, the governing body will take into consideration how the role fits within the wider leadership structure of the school. The governing body will ensure that the pay range for a deputy or assistant head teacher will not overlap the head teacher's pay range however it is recognised that there may be exceptional circumstances where an overlap may occur. Any such decisions will be fully documented by the governing body with a clear rationale outlined. When making such decisions the governing body will ensure that the principles of section 2 of this policy are adhered to.

7.8 **Stage 2 – Setting the indicative pay range**

7.8.1 The governing body will consider the complexity and challenge of the role in the particularly context of the school and make judgment on pay in light of this.

At this stage the governing body will consider current discretionary payments, such as recruitment and retention, and long term provision to other schools.

7.8.2 The governing body accepts that the total unit score will generally capture the complexity of the head teacher role and that the relevant broad pay range accommodates appropriate levels of reward. The governing body will decide whether the indicative pay range should start at the minimum of the head teacher group or whether it should start at a higher level because of the level of challenge of the post. The governing body recognise that it is their responsibility to identify the broad pay range to use from within the head teacher group and that there is no restriction on the number of points they are required to use when setting the pay broad pay range.

7.8.3 The governing recognises that there may be circumstances in which there are additional factors that suggest that the indicative pay range should be higher than would be provided by the basic calculation in stage 1.

7.8.4 Whilst the governing body recognise that such circumstances will be determined at the specific time of setting the indicative pay range such circumstances for consideration could be (*guidance only and not intended to provide an exhaustive list*);

- the context and challenge arising from pupil needs e.g. if there is a high level of deprivation in the community (Free School Meal (FSM) entitlement and/or English as an Additional Language indicators may be relevant) or there are high numbers of looked after children or children with special needs or there is a high level of in-year pupil mobility, and this affects the challenge in relation to improving outcomes;
- a high degree of complexity and challenge e.g. accountability for multiple schools or managing across dispersed sites, which goes significantly beyond that expected of any head teacher of a similar sized school(s) and is not already reflected in the total unit score used at stage 1;
- additional accountability not reflected in stage 1 e.g. leading and teaching school alliance; Responsibility for PVI settings; Childcare; Community Services (this list is not exhaustive).
- factors that may impede the school's ability to attract a field of appropriately qualified and experienced leadership candidates e.g. location, specialism, level of support from the wider leadership team.

7.8.5 Where the governing body consider that the circumstances/factors and feel that the indicative pay range should be higher than would be provided by the basic calculation in stage 1 then they will set the indicative pay range with a maximum of up to 25% above the top of the relevant head teacher group range. Where the governing body feel that the amount should be in excess of this limit then they will seek external independent advice, and where such increase is agreed a business case will be developed and agreed by the full governing body.

7.8.6 The governing body will ensure that no double counting takes place e.g. of things taken account of at stage 1, such as responsibility for an additional school already reflected within the total unit score

7.8.7 The governing body will not increase base pay nor pay an additional allowance for regular local collaboration which is recognised as already being part of the role of head teacher.

- 7.8.8 The governing body recognise that for other leadership roles the process applied will be broadly the same. The governing body will consider how the other leadership roles should be set in accordance with the level set for the head teacher and will ensure that there is sufficient scope for progression.
- 7.8.9 At the end of this stage the governing body will decide where in the broad range to position the indicative pay range and will set this out clearly when advertising the role. The governing body will make an overall judgement on the position and breadth of range, allowing appropriate scope for performance-related progression over time which will clearly link to school improvement priorities and outcomes.

The governing body will ensure that there is a clear audit trail for all decisions made and the reasoning behind them.

7.9 **Stage 3 – Deciding the starting salary and individual pay range**

- 7.9.1 When the governing body has made the decision to appoint their preferred candidate we will set the starting salary in the light of candidate-specific factors, such as the extent to which the candidate meets the specific requirement of the post. The governing body will ensure that there is scope for performance-related pay over a period of time.

7.10 **Allowances**

- 7.10.1 The governing body recognise that the approach to setting pay for head teachers will make additional payments by means of allowances unnecessary. The exception to this will be for temporary or irregular responsibilities. The governing body will ensure that such payments are time limited from the outset and will cease when the responsibility ceases or circumstances change. Safeguarding will not apply to such payments. The total value of the salary and temporary payments made to a head teacher in any one year must not exceed 25% above the maximum of the head teacher group for the school.

- 7.10.2 The governing body will ensure that the principles of payment of allowances for members of the wider leadership group will be consistent with those of head teachers.

7.11 **Determination of temporary payments to Head teacher's/Principal's.**

The dedicated pay committee may determine that additional payments be made to a Head teacher for clearly temporary responsibilities or duties that are in addition to the post for which their salary has been determined. In each case the dedicated pay committee must not have previously taken such reason or circumstance into account when determining the headteacher's pay range.

The total sum of the temporary payments made to a Head teacher in any school year must not exceed 25% of the annual salary which is otherwise payable to a Head teacher, and the total sum of salary and other payments made to a Head teacher must not exceed 25 % above the maximum of the headteacher group, except in wholly exceptional circumstances where the dedicated pay committee have determined that additional payments may be awarded in excess of 25 % to the Head teacher. The full Governing body will seek external independent advice before providing such agreement and support its decision with a business case.

The above paragraph does not apply to additional payments made;

- In accordance with any payments for residential duties as a requirement of the post or;
- In respect of relocation expenses which relate solely to the personal circumstances of the Head teacher.

8. TEACHERS (PAY PROGRESSION BASED ON PERFORMANCE)

- 8.1 In this School all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal arrangements, which recognise their strengths, inform plans for their future development, and help to enhance professional practice. The arrangements for teacher appraisal are set out in the School Appraisal Policy in accordance with the 2012 regulations in England.
- 8.2 Notwithstanding the pay progression principles within paragraphs 9 and 11 of this policy. It will be possible for a 'no progression' pay determination to be made without recourse to the capability procedure.
- 8.3 To be fair and transparent, assessments of performance will be properly rooted in evidence. In this School we will ensure fairness by applying the general principles of the School Appraisal Policy.

- 8.4 Decisions regarding pay progression/non pay progression will be made **in writing** with reference to the teacher's appraisal reports and the pay recommendations they contain. **In the case of NQT's, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.**

Teachers in their induction year will be awarded pay progression on the successful completion on induction in accordance with the Department for Education's statutory guidance on induction for newly qualified teachers (England) and in line with paragraph's 9.1-9.5 of this policy. Pay progression will be in line with the provisions contained within the School Teachers Pay and Conditions Document. Where a teacher has failed to complete satisfactorily the induction period the provisions with the guidance referred to above, paragraph's 2.46 – 2.55 of the statutory guidance on induction for newly qualified teachers will be referred to.

- 8.5 **Teachers' appraisal reports will contain pay recommendations.** Final decisions about whether or not to accept a pay recommendation will be made having regard to the relevant information and taking into account advice from the reviewer and/or Head Teacher/Principal, where applicable. The dedicated pay committee will consider their approach in light of the School budget and ensure that appropriate funding is allocated for pay progression at all levels.
- 8.6 In this School, judgements of performance will be made against the extent to which teachers have met their individual objectives, the relevant standards, lesson observations and how they have contributed to the impact on pupil progress; impact on wider outcomes for pupils; improvements in specific elements of practice, such as behaviour management or lesson planning; impact on effectiveness of teachers and other staff; wider contribution to the work of the School.
- 8.7 The rate of pay progression will link to an individual teachers' performance and will be on the basis of absolute performance measures.

9. MAIN PAY RANGE

The dedicated pay committee will decide the following:

- 9.1 Teachers will be eligible for a pay increase of **one point** on the identified pay range (MPR1 – MPR6) where;

- they meet all of their objectives
- are assessed as fully meeting the relevant standards and
- as part of the appraisal process teaching is assessed as at least good or better

9.2 Teachers may be eligible for a pay increase of **two points** on the identified pay range (MPR1 – MPR6) where;

- they exceed all of their objectives
- are assessed as fully meeting the relevant standards and;
- as part of the appraisal process teaching is assessed as outstanding

9.3 Teachers will **not be eligible** for a pay increase on the identified pay range (MPR1 – MPR6) where

- objectives have not been met and/or;
- they have not fully met the relevant standards and/or;
- as part of the appraisal process teaching is assessed as requiring improvement or inadequate.

9.4 Pay progression on the main pay range will not be automatic each year.

9.5 No teacher paid on the main pay range will increase by more than two points in the course of one school year.

MPR 6	£36,961

Reviews will be deemed to be successful unless concerns about standards of performance have been raised in **writing** with the teacher during the annual performance management/appraisal cycle and have not been sufficiently addressed through support provided by the School by the conclusion of that process.

10. UPPER PAY RANGE

- 10.1 Any qualified teacher may apply to be paid on the upper pay range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the upper pay range. Applications can be made once a year.
- 10.2 Applications to be paid on the upper pay range should be made between the 1 September and 31 October and where successful will be backdated to the 1 September.
- 10.3 If a teacher is simultaneously employed at another School, they may submit separate applications if they wish to apply to be paid on the upper pay range in that School. This School will not be bound by any pay decision made by another School.
- 10.4 All applications should include the results of reviews and appraisals under the 2011 or 2012 regulations, including any recommendation on pay (or, where that information is not applicable or available, a statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria).
- 10.5 Applications should contain evidence from the last two performance management reviews. Written applications should be made to the Headteacher by the 31st October 2020. This letter should provide subheadings such as Intent, Implementation and Impact, with clear evidence and data to support the application. In the case of teachers who have been away from school for a prolonged period of time eg maternity leave, the last two performance management reviews from immediately before the absence will be acceptable.

11. UPPER PAY RANGE (THE ASSESSMENT)

- 11.1 An application from a qualified teacher will be successful where through the two previous appraisal reviews the dedicated pay committee satisfied that;
- a) The teacher is **highly competent** in all elements of the relevant standards and;
 - b) The teacher's achievements and contribution to the School are **substantial** and **sustained** (paragraph 15.2, STPCD).

11.2 For the purpose of this pay policy:

'Highly competent' means – performance which is not only good but also good enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the School, in order to assist them in meeting the relevant standards and develop their teaching practice)

'Substantial' means – of real importance, validity or value to the School, play a critical role in the life of the School; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and the use of outcomes effectively to improve pupils' learning); and

'Sustained' means – maintained continuously over a long period e.g. 3 school years.

11.3 The application will be assessed by the Headteacher, the Associate Headteacher and the line manager. The Governing Body will be consulted when making the final decision.

12. UPPER PAY RANGE (PROCESSES AND PROCEDURES)

12.1 The assessment will be made within ten working days after the deadline for applications (31 October).

12.2 If successful, applicants will move to the upper pay range with effect from the 1 September of that year.

12.3 Pay progression within the upper pay range will not be automatic each year.

12.4 Teachers will be eligible for a pay increase of one point on the identified pay range (UPR1 – UPR 3) following appointment onto the UPR, where they can demonstrate through two consecutive successful performance management reviews that;

- they meet all of their objectives,
- are assessed as highly competent and fully meets the relevant standards;

- teaching is assessed as at least good or better and;
- the teacher's achievements and contribution to the School are **Substantial** and **Sustained**.

For the circumstance of this pay policy and for the avoidance of doubt teachers can progress **annually** on the UPR with reviewers being able to rely on previously deemed successful (consecutive) performance management reviews when making pay recommendations in line with the appraisal process.

The salaries of those teachers on the UPR will be reviewed **annually** in line with the above criteria.

- 12.5 Where an application is unsuccessful, feedback will be provided by the Headteacher. This will be followed up with a written statement.
- 12.6 Any appeal against a decision not to move a teacher to the upper pay range/not to progress on the upper pay range will be heard under the appeals process in accordance with this policy.

UPPER PAY RANGE (UPR)	£SALARY
UPR 1	£38,690
UPR 2	£40,124
UPR 3	£41,604

Reviews will be deemed to be successful unless concerns about standards of performance have been raised in **writing** with the teacher during the annual performance management/appraisal cycle and have not been sufficiently addressed through support provided by the School by the conclusion of that process.

13. DETERMINING PAY FOR LEADING PRACTITIONERS

13.1 It is not the intention of the Governing Body to create a Leading Practitioner role at this time but the Governing Body will review its position from time to time.

14. UNQUALIFIED TEACHERS PAY RANGE

14.1 An unqualified teacher will be paid on the pay range for unqualified teachers detailed below;

UNQUALIFIED TEACHER (UTR) PAY RANGE	£SALARY
UTR 1	£18,169
UTR 2	£20,282
UTR 3	£22,394
UTR 4	£24,507
UTR 5	£26,622
UTR 6	£28,735

14.2 Unqualified teachers will be eligible for a pay increase of **one point** on the identified pay range (UTR1 – UTR6) where;

- they meet all of their objectives
- are assessed as fully meeting the relevant standards and;
- as part of the appraisal process teaching is assessed as at least good or better

14.3 Unqualified teachers may be eligible for a pay increase of **one additional point** on the identified pay range (UTR1 – UTR6) where;

- they exceed all of their objectives
- are assessed as fully meeting the relevant standards and;
- as part of the appraisal process teaching is assessed as outstanding

14.4 Unqualified teachers will **not be eligible** for a pay increase on the identified pay range (UTR1 – UTR6) where;

- objectives have not been met and/or;
- they have not fully met the relevant standards and/or;
- as part of the appraisal process teaching is assessed as requiring improvement or inadequate

14.5 The Governing Body may pay an additional allowance to an unqualified teacher when they consider that the teacher has;

a) Taken on a sustained additional responsibility which:

- Is focussed on teaching and learning and;
- Requires the exercise of teachers' professional skills and judgement or;

b) Qualifications or experience which bring added value to the role being undertaken

14.6 Unqualified Teachers in this School will not hold TLR's or SEN Allowance

15. PART-TIME TEACHERS

15.1 Teachers employed on an ongoing basis at the School but who work less than a full working day or week are deemed to be part-time. The Governing Body will give them a written statement detailing their working time obligations and the mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the School time tabled teaching week for a full time teacher in an equivalent post. The salary and any allowances, except for TLR3s, of a part-time teacher must be determined in accordance with the pro rata principle.

16. SHORT NOTICE/SUPPLY TEACHERS

16.1 Teachers who work on a day to day basis or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata.

16.2 A teacher to whom paragraph 16.1 applies and who is employed by the same authority throughout a period of 12 months beginning in August or September must not be paid more by way of remuneration in respect of that period than would have been paid had the teacher been in regular employment throughout the period.

17. ALLOWANCES AND PAYMENTS (TEACHERS)

17.1 SPECIAL EDUCATIONAL NEEDS (SEN) ALLOWANCES

A SEN allowance of no less than **£2,270** per annum and no more than **£4,479** per annum (pro rata for part time teachers) is payable to a classroom teacher in accordance with this paragraph.

The dedicated pay committee must award a SEN allowance to a classroom teacher:

- (a) in any SEN post that requires a mandatory SEN qualification⁽¹⁾;

- (b) in a special school;
- (c) who teaches pupils in one or more designated special classes or units in a school or, in the case of an unattached teacher, in a local authority unit or service;
- (d) in any non-designated setting (including any pupil referral unit) that is analogous to a designated special class or unit, where the post:
 - (i) involves a substantial element of working directly with children with SEN; (for the purposes of clarity this school has identified 51% or more of the individuals time as being 'substantial').
 - (ii) requires the exercise of a teacher's professional skills and judgement in the teaching of children with SEN; and
 - (iii) has a greater level of involvement in the teaching of children with SEN than is the normal requirement of teachers throughout the school or unit within the school or, in the case of an unattached teacher, the unit or service.

Where a SEN allowance is to be paid, the dedicated pay committee will determine the spot value of the allowance, taking into account the structure of the school's SEN provision and the following factors:

- (a) whether any mandatory qualifications are required for the post;
- (b) the qualifications or expertise of the teacher relevant to the post; and
- (c) the relative demands of the post.

(1) In accordance with the Education (School Teachers' Qualifications) (England) Regulations 2003 (S.I. 2003/1662), the Education (Teachers' Qualifications and Health Standards) (Wales) Regulations 1999 (S.I. 1999/2817) and the Education (Special Educational Needs Co-ordinators) (England) Regulations 2008 (S.I. 2008/2945) .

SEN Allowance payable to unqualified teachers

The dedicated pay committee may determine that such additional allowance as it considers appropriate is to be paid to an unqualified teacher where it considers, in the context of its staffing structure and pay policy, that the teacher has:

- (a) taken on a sustained additional responsibility which:
 - (i) is focused on teaching and learning; and
 - (ii) requires the exercise of a teacher's professional skills and judgment; or
- (b) qualifications or experience which bring added value to the role being undertaken.

17.2 RECRUITMENT AND RETENTION

Headteachers, deputy headteachers and assistant headteachers may not be awarded payments under paragraphs 27.1 to 27.2 of the STPCD other than as reimbursement of reasonably incurred housing or relocation costs. All other recruitment and retention considerations in relation to a headteacher, deputy headteacher or assistant headteacher – including non-monetary benefits – must be taken into account when determining the pay range. Where the relevant body pays a recruitment or retention incentive or benefit awarded to a headteacher, deputy headteacher or assistant headteacher under a previous Document, subject to review, it may continue to make that payment at its existing value until such time as the respective pay range is determined under the 2016 STPCD.

Meadow Park School to include local determination within pay policy and consult with School Professional Association/Trade Union representative.

17.3 TEACHING AND LEARNING RESPONSIBILITY PAYMENTS (TLR'S)

[Meadow Park School to include local determination within pay policy and consult with School Professional Association/Trade Union representative.

Teaching and Learning Responsibility (TLR) Allowances			
Point	£ Value per annum (pro rata for part time teachers)	Point	£ Value per annum (pro rata for part time teachers)

TLR 2a	£2,873	TLR 1a	£8,291
TLR 2b	£4,785	TLR 1b	£10,203
TLR 2c	£6,697	TLR 1c	£12,119
		TLR 1d	£14,030

Before awarding any TLR the dedicated pay committee must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- (a) is focused on teaching and learning;
- (b) requires the exercise of a teacher's professional skills and judgement;
- (c) requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- (d) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- (e) involves leading, developing and enhancing the teaching practice of other staff.

Paragraphs (c) and (e) above do not have to apply to the award of TLR3s.

Unqualified teachers may not be awarded TLRs. In addition, before awarding a TLR1, the dedicated pay committee must be satisfied that the sustained, additional responsibility referred to in paragraph 20.1 of the STPCD 2016 includes line management responsibility for a significant number of people.

The School will not award a TLR 1 **and** a TLR 2 to a teacher however it is recognised that a teacher who has a TLR1 **or** a TLR2 is eligible to be considered for a TLR3. In such circumstances, the School will seek support from their HR provider prior to any selection process.

17.4 FIXED TERM TEACHING AND LEARNING RESPONSIBILITY (TLR3)

The School may award a fixed term third TLR (TLR3) to a classroom teacher for clearly time-limited school improvement projects, or one-off externally driven responsibilities. The annual value of a TLR3 must be no less than **£571** and no greater than **£2833**. The duration of the fixed term responsibility will be established at the outset and payment will be made on a monthly basis for the duration of the fixed term. The responsibilities must not be permanent or a structural requirement which should instead be rewarded by means of a permanent TLR payment in accordance with paragraph 17.3 above.

Before awarding a TLR3 the dedicated pay committee must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- (a) is focused on teaching and learning;
- (b) requires the exercise of a teacher's professional skills and judgement;
- (c) has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils;

Where a TLR 3 is needed this School will identify the duties and responsibilities in writing and follow the same principles identified within paragraph 2.2 of this policy.

18. ADDITIONAL PAYMENTS

18.1 The dedicated pay committee is permitted to make additional payments to all teaching staff in respect of:

- (a) continuing professional development undertaken outside the school day;
- (b) activities relating to the provision of initial teacher training as part of the ordinary conduct of the school;
- (c) participation in out-of-school hours learning activity agreed between the teacher and the headteacher.
- (d) additional responsibilities and activities due to, or in respect of, the provision of services relating to the raising of educational standards to one or more additional schools.

The STPCD does not provide for the payment of 'honoraria' to teachers in any circumstance.

Activities that will attract payment include:

Meadow Park School to include local determination within pay policy and consult with School Professional Association/Trade Union representative.

19. ACTING ALLOWANCE

- 19.1 Where a teacher is assigned and carries out the duties of a Head teacher/Principal, Deputy Head teacher/Vice Principal or Assistant Head teacher/Principal and has not been appointed as an Acting Head teacher/Principal, Deputy Head teacher/Vice Principal or Assistant Head teacher/Principal then the Governing Body will consider paragraph's 23.1 – 23.6 of the STPCD 2019.

20. PAY REVIEWS (SUPPORT STAFF)

- 20.1 The Governing Body has adopted the KMBC Support Staff Pay and Grading Documents 2005 and 2006 to ensure that the requirements of the Single Status Agreement 1997 are met.

Any additional roles that are created as a result of the outcome of the job evaluation/grading appeals process that followed the implementation of the 1st January 2014 pay and grading structure. It should be noted that implementation of the new A to Q grading structure supersedes the scale/grade bands referred to in the Support Staff Pay and Grading Documents 2005 and 2006.

The Governing Body has the power to determine the job description and person specifications within the Document that match the duties and responsibilities covered by positions within the support staff structure for the School. In adopting the KMBC Support Staff Pay and Grading Documents 2005 and 2006 the Governing Body is assured that;

- a) all decisions will be based on an objective approach to pay and grading according to the criteria laid down in the relevant national agreements;
- b) decisions will be applied as consistently as possible across the differing support staff groups concerned as well as within those staff groups;
- c) any differences in pay between two employees within the same staff group will be justified in terms of a genuine and material difference in their circumstances and duties and responsibilities undertaken;
- d) all decisions will have regard to equality of opportunity, and in particular, relevant employment legislation;
- e) posts carrying similar levels of responsibility will be rewarded equally and all staff will be rewarded equitably.

- f) outcomes of the Knowsley Pay Review Package 2014 are followed.

21. SUPPORT STAFF – GENERAL OVERVIEW

- 21.1 The KMBC Support Staff Pay and Grading Review Documents 2005 and 2006 form part of the School's Pay Policy along with the A to Q grading structure which supersedes the scale/grade bands referred to in the Support Staff Pay and Grading Documents 2005 and 2006.
- 21.2 All support staff will be appointed to a role within the above documents (see **Appendix 5** for a list of support staff roles) unless a separate agreement has been reached with the relevant trade union/professional association representatives.
- 21.3 In determining the pay of support staff, account will be taken of the relevant model job descriptions, job evaluation and grades of KMBC. The Governing Body is legally entitled to devise and grade its own posts and will do so only in the circumstances when there is no appropriate job description agreed. Such decisions will be made by the Head teacher after consulting the Governing Body or relevant committee. The relevant trade unions/professional associations will be fully consulted.

23. APPEALS (SUPPORT STAFF)

- 23.1 The arrangements for considering re-grading applications by support staff will be in line with the Schools Re-grading Policy/Grievance Policy. The School understands that a revised re-grading policy for Council employees has been agreed and will be adapted for school use and subsequent adoption. Subject to adoption by the governing body the revised re-grading policy will replace any existing policy framework used for re-grading purposes. The School recognise that all 8 Professional Associations/Trade Unions should be consulted prior to adoption.
