## Celebrations

Student Class	Event
Acorns	This week Acorns have been working hard with their phonics in preparation for their weekly reading time with our wellbeing dog Charlie. They have worked really hard and have had a fantastic attitude to their learning.
Acorns	This week Acorns have been planting potatoes! As part of their science and personal development projects, they have been learning about plants and vegetables and been working to create their own vegetable patch. Next will be beetroot and coriander!
Thrive	Class Thrive have showed excellent maturity in Personal Development this week, and completed outstanding research about inspirational women from all around the world.
Primary	Last Friday Primary students took part in World Book Day. As well as lots of reading and literacy activities, pupils took part in 'The Masked Reader' guessing which teachers were reading and what their favourite book was.
Lloyd	Transitioning back to main school with a great attitude
Childcare class, years 10&11.	Coming together to help out staff during observations and really making an effort to support the teacher, this demonstrates a great level of respect from pupils.
Inspiration	Starting their GCSE English Language content with enthusiasm and confidence.
Lloyd	Transitioning back to main school with a great attitude
George Liberty	For returning to school with a great attitude and dedication to his work.
Aspire Courage	We have thoroughly enjoyed teaching all of the KS3 classes this week. We have been impressed with their polite and respectful attitudes, their enthusiasm to engage in lessons and their fabulous

Liberty and Destiny	cell models which they made this week!
Nathan, Warren and Sonny	As part of their Non Examination Assessment (NEA 2 International Cuisine) pupils have been researching and preparing food from a country of their choice. Sonny and Warren are traveling to Italy making spaghetti Bolognese Whilst Nathan is preparing food from the Caribbean.

The famous artist - Charlie Mackesy has given our school permission to use his pictures and text across school. He is really looking forward to seeing how we use his work.
