Assessment Tasks		Assessment Tasks	Assessment Tasks	Assessment Task	Assessment Tasks
Completion of coursework tasks:		Completion of coursework tasks:	Completion of coursework tasks:	Completion of coursework tasks:	Completion of coursework tasks:
<ul style="list-style-type: none"> P1, M1, D1 Explore techniques to improve own organisational skills P2, M2, D2 Review the use of techniques to improve own organisational skills 		<ul style="list-style-type: none"> P1, M1, D1 Produce a plan identifying the stages of production 	<ul style="list-style-type: none"> P2, M2, D2 Select and use tools to create a frame 	<ul style="list-style-type: none"> P1, M1, D1 Identifying my own role in decorating a wall P2, M2, D2 Use tools and equipment to decorate a wall 	<ul style="list-style-type: none"> P1, M1, D1 Identifying a career progression goal P2, M2, D2 Outlining skills and behaviours required
Personal Development/Careers		Personal Development/Careers	Personal Development/Careers	Personal Development/Careers	Personal Development/Careers
Productivity: Use planning tools/software to improve efficiency and timekeeping. What are the benefits of being more efficient?		Relationships: How would your relationship with your boss in a construction firm be different to your relationship with teachers in school? In what ways would you have to behave differently?	Exploring influence of role models: Who do you look up to in school? What is it about them that you think is good/positive? What traits do they have that you admire?	Understanding families and learning parenting skills: When you grow up and have a family what do you think are the skills you will need to have to bring your children up how you want them to be	Mental Health: Having a fulltime job can be extremely challenging and can cause stress. What additional stresses would you have if you owned your own business?
Reading & Writing		Reading & Writing	Reading & Writing	Reading & Writing	Reading & Writing
Learners will complete daily, weekly and monthly planners to manage their days		Learners will identify the tools commonly used for carpentry tasks and describe how they are used safely	Learners will identify commonly used materials and justify why they are used by describing their properties	justify the safe use of hand tools, portable power tools and materials to minimise health, safety and welfare risks	Learners will use the internet to find out what skills and qualities are desirable in their chosen field
Speaking & Listening		Speaking & Listening	Speaking & Listening	Speaking & Listening	Speaking & Listening
Group discussion: How should we prioritise tasks? When we have lots of jobs to do in a day/week, how do you decide what is the most important/what to do first?		Listening skills: Teacher demonstration on the safe use of power tools. Learners to make notes and be questioned	Group discussion: Learners will discuss the idea of recycling and how it impact on the environment	Role play: Learners will be videoed demonstrating how to maintain a tidy workspace	Group discussion: What skills are desirable in the workplace? What skills do we each have? How do each of the skills relate to your chosen goal?
Numeracy & Mathematical Reasoning		Numeracy & Mathematical Reasoning	Numeracy & Mathematical Reasoning	Numeracy & Mathematical Reasoning	Numeracy & Mathematical Reasoning
