Completion of coursework tasks:		Completion of coursework tasks:		Completion of coursework tasks:		Completion of coursework tasks:	
<ul style="list-style-type: none"> P1, M1, D1 Explore techniques to improve own organisational skills P2, M2, D2 Review the use of techniques to improve own organisational skills 		<ul style="list-style-type: none"> P1, M1, D1 Produce a plan identifying the stages of production 		<ul style="list-style-type: none"> P2, M2, D2 Select and use tools to create a frame 		<ul style="list-style-type: none"> P1, M1, D1 Identifying my own role in decorating a wall P2, M2, D2 Use tools and equipment to decorate a wall 	
Personal Development		Personal Development		Personal Development		Personal Development	
Productivity: Use planning tools/software to improve efficiency and timekeeping. What are the benefits of being more efficient?		Relationships: How would your relationship with your boss in a construction firm be different to your relationship with teachers in school? In what ways would you have to behave differently?		Exploring influence of role models: Who do you look up to in school? What is it about them that you think is good/positive? What traits do they have that you admire?		Understanding families and learning parenting skills: When you grow up and have a family what do you think are the skills you will need to have to bring your children up how you want them to be	
Mental Health: Having a fulltime job can be extremely challenging and can cause stress. What additional stresses would you have if you owned your own business?		Understanding causes of debt: We will find out the average salary for joiner, work out outgoings and what we have left as disposable income. See if any of the outgoings are not needed		Reading & Writing		Reading & Writing	
Learners will complete daily, weekly and monthly planners to manage their days		Learners will identify the tools commonly used for carpentry tasks and describe how they are used safely		Learners will identify commonly used materials and justify why they are used by describing their properties		Learners will use the internet to find out what skills and qualities are desirable in their chosen field	
Learners will justify the safe use of hand tools, portable power tools and materials to minimise health, safety and welfare risks		Learners will use the internet to find out what skills and qualities are desirable in their chosen field		Learners will complete a skills analysis identifying their own strengths and weaknesses		Learners will complete a skills analysis identifying their own strengths and weaknesses	
Speaking & Listening		Speaking & Listening		Speaking & Listening		Speaking & Listening	
Group discussion: How should we prioritise tasks? When we have lots of jobs to do in a day/week, how do you decide what is the most important/what to do first?		Listening skills: Teacher demonstration on the safe use of power tools. Learners to make notes and be questioned		Group discussion: Learners will discuss the idea of recycling and how it impact on the environment		Role play: Learners will be videoed demonstrating how to maintain a tidy workspace	
Group discussion: What skills are desirable in the workplace? What skills do we each have? How do each of the skills relate to your chosen goal?		Communication skills: Learners will present the findings of their skills analysis to class (or just me dependent on willingness)		Numeracy & Mathematical Reasoning		Numeracy & Mathematical Reasoning	
Numeracy & Mathematical Reasoning		Numeracy & Mathematical Reasoning		Numeracy & Mathematical Reasoning		Numeracy & Mathematical Reasoning	
Allocating tasks in one hour slots into the working day		Learners create timeline for the manufacturing plan		Learners will use rulers and other measuring devices when marking out		Learners will be converting feet and inches into millimetres and centimetres	
Working out gross and net pay or salary when researching possible career paths		Work out career earnings and total deductions each month based on tax and NI contributions		Creative Media		Creative Media	
Creative Media		Creative Media		Creative Media		Creative Media	
<ul style="list-style-type: none"> Presenting data from skills analysis Bar charts Pie charts 		<ul style="list-style-type: none"> Flow chart identifying the stages of production Editing photographs 		<ul style="list-style-type: none"> Video editing Produce 'how to' instructional videos for marking and cutting joints 		<ul style="list-style-type: none"> Photographing the safe use of low level access equipment Pupils to set up the room safely and photograph as evidence
